It is Term Three and that means ‘MULTICULTURAL TERM’. This term CTC students will be investigating Japan. We are looking forward to researching all the interesting facts of this amazing country. We have a wonderful parent, Mrs Julie Miller, who has volunteered to come in to teach us the language, as she has been for most of the year. Students have been loving the lessons and learning a little origami and Japanese culture along the way.

Of course students will be asked to complete a project on Japan; more information will be sent home soon.

CAREERS MARKET DAY EXPO
Year 6 students will taking part in the Careers Day to be held at Tweed Heads South Primary School on Tuesday 29 July. This is a great opportunity for students to see the varied career paths available to them. After this great day, students will be required to select a career they are interested in, research it and present their findings to the class. A great day which parents are most welcome to attend.

YEAR 6 CANBERRA EXCURSION
Staff and students are eagerly awaiting excursion to Canberra on Monday 25 August. Final notes will go out first week of term. It is a great experience for our students that provides rich opportunities for learning both academically and socially.

NUMERACY groups have brought about some excellent results and will continue on Monday and Tuesday studying number.

- Wednesday
